BOISE, IDAHO — January 23, 2020 — Treefort Music Fest announced today another round of artists and events coming to the forts of the fest, including additional films and directors at Filmfort, open auditions for Kidfort’s annual Youth Variety Showcase, workshops and panels at Music Talks, and more than a dozen panels at Storyfort.

FILMFORT has added to its 2020 lineup with three additional headlining feature films and directors, and a variety of short films. Feature films include **Jonathan Sutak**’s documentary “**Dons of Disco**”, which follows the lip-sync scandal behind the 1980s Italo disco star Den Harrow, Kate McClean and Mario Furloni’s brand new black market marijuana drama “**Freeland**”, and **Brandon Colvin**’s soon-to-be released film “**A Dim Valley**”, which details a curmudgeonly biologist and his stoner graduate students as they encounter a group of mysterious backpackers who disrupt their lives in surprising ways.
